You agree to sign the back of the Card immediately upon receipt. The expiration date of the Card is identified on the front of your Card. The Card is a prepaid card and can only be used to access value that you have previously loaded into the Account. The Card is not connected in any way to any other card or bank account. - 2. Description of Program and Card.** Your Account allows you to deposit funds to or from the Account; make purchases for goods and services everywhere Discover® is accepted; perform ATM withdrawals at ATM devices that accept the card networks for the Account; and access your loaded funds or load your gaming-related winnings to the Account through participating gaming locations and/or gaming websites. The ability to use your funds in a gaming location is a highly unique feature of the Account and as such, is usable only in certain designated gaming locations that participate in the Program. Those locations accepting the Account for gaming purposes are part of a proprietary closed loop network not accessible to all persons. You must use your Account at a designated Program-accepting gaming location for the Account to work in a gaming context. The gaming features of the Account allow you to segregate and budget your entertainment spend separately from other accounts. You are able to manage your Account through a full service online Website (no additional charge for use) and you may have the option to access and manage your account from compatible smartphone devices (no additional charge for use) as offered. Our Interactive Voice Response (IVR) system allows you to perform many important functions at no additional charge, and, during available hours, you may elect to speak to a live agent, however, additional fees may apply. We reserve the right to record and monitor all live calls for security and training purposes. We reserve the right to modify or cancel the Program at any time with notice to you. If we suspect your Account is being used in a fraudulent manner we may suspend, block or close your Account or reduce access to your Account.

The Card is a prepaid card usable wherever prepaid debit cards bearing the applicable payment card network brand (e.g. Discover) (“Card Network”) on your Card are accepted worldwide. The Card is not a gift card. The Card is not a device that accesses money in an individual checking or savings account. Your Card is NOT a bank deposit account, debit card, or a charge card that allows you to make purchases or obtain advances and pay later. You may use your Card to make purchases at any merchant that accepts the Card Network’s cards, subject to your available Account balance and the other terms and conditions of this Agreement. You may not use your Card for any illegal online gambling, escort services, or any illegal transaction. The Card will have a printed expiration date and the Card will expire, in accordance with applicable law, on the expiration date. If your Account is in good standing and you have available funds in the Account, we will issue you a new Card upon expiration. The Card is our property and is nontransferable. We may revoke or suspend your Card or any features or services of your Card at any time without cause or notice. You must surrender a revoked Card and you may not use an expired or revoked Card. You are required to notify us promptly if the Card is lost or stolen.

8. **FDIC Insurance.** All funds associated with the Card shall be held in an account with the Bank for your benefit, with the balance of such funds to be reduced through your use of such funds and through the imposition of fees and other charges in accordance with the terms and conditions of this Agreement. Using Your Card and Account

11. **Funds Availability.** Note that the availability of funds loaded to your Account depend on the source of the funds and the type of loaded value. Funds deposited in your Account, or funds transferred from other accounts from any other external bank account(s) are subject to normal Bank rules on funds availability. Funds loaded on to an Account through transfer from credit or debit cards, eCheck, participating reload networks, and wagering account merchant locations for credit to your Account are available immediately.
12. **Use of Your Card and Account.** Your Card may be used to access the funds stored in your Account. You may use your Card to perform the following types of transactions (subject to the transaction limits):
 - (a) At an ATM displaying the PULSE® or NYCE® logos, you may use your card to make withdrawals of cash up to the amount of funds in your Account not exceeding the daily cash withdrawal limit or to obtain Account balance information. Some of these services may not be available at all ATMs or at ATMs outside the United States; and
 - (b) At participating merchant locations displaying the Discover, PULSE, or NYCE logos, you may use your card to purchase goods and services (and to obtain a limited amount of cash) up to the amount of funds in your Account.

If you wish to use your card for a purchase which is greater than the balance of the funds available on your Account, you must advise the merchant to charge only the current loaded balance of prepaid funds available on the Account or less and then you must arrange to pay for the difference, if any, using another payment method. The merchant may require payment for the difference in cash rather than accepting another card, such as a credit or debit card. Some merchants may elect to not accept these "split transactions." If you fail to inform the merchant prior to completing the transaction, your transaction may be declined due to insufficient funds available. **Please note special rules for gas station purchases:** You may use your card to make a purchase at a gas station or gas station/mini-market by going inside the location and making payment directly to the attendant. Your card will not be accepted for payment at the gas pump.

If you use your card at a restaurant, a hotel, a car rental location, or for similar purchases, the anticipated purchase amount may include an additional sum up to 20% which is often added to ensure there are sufficient funds available to cover additional charges, gratuities or incidental damage incurred. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your actual purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days (thirty days for hotels and sixty days for car rentals) for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

If you use your card number without physical presentment of your card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the card itself. For security reasons, we may limit the amount or number of these transactions you can make on your Account through this method. You may not use your card or Account for any illegal transaction. You may use your Account for legal online gambling transactions, race and sports betting transactions, and other forms of legal gambling activities but only in locations and online gaming sites where we have authorized such use and the location is participating with our Program. You are solely responsible for determining whether the gaming you are participating in is legal. We have no liability for your participation in illegal gaming. All gaming related transactions are conducted through a private closed-loop network and are not transmitted through the Network.

You acknowledge and agree that the value available to you in your Card Account is limited to the balance of your Card Account. Each time you use your card, you authorize us to immediately reduce the value available on your Account by the amount of the transaction or preauthorization. You are not allowed to exceed the available amount on your Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Account (creating a 'negative balance'), including any purchase transactions where the retailer or merchant does not request authorization, you shall remain fully liable to the Bank for the amount of the transaction and any applicable fees or charges. You agree to pay us promptly for the negative balance. If you do not promptly add sufficient funds to your Card Account to cover the negative balance, we may cancel your Card Account and pursue collection. To the extent allowed by applicable law, you are responsible for the reasonable costs we incur in collecting amounts owed by you to us under this Agreement, including reasonably attorneys' fees and costs. We also reserve the right to cancel your Account should you create one or more negative balances with your Account. We further reserve the right to offset any negative balance by any current or future funds you may load to or maintain in your Card Account or funds in any other Card Account you maintain with us now or in the future.

You do not have the right to stop payment on any purchase or payment transaction originated by use of your Account. You may not make repetitive, preauthorized regular payments from your Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds as stated above.

Where applicable, you may deposit or withdraw funds to and from your Account from legal gaming merchants or legal online and mobile gaming merchants that enable the use of the Program by selecting

the appropriate user option(s) made available by the merchant or instructing a merchant representative to facilitates the deposit transaction.

You agree to comply with the authentication methods used by the merchant gaming system, self-serve devices and/or location, such as a password, loyalty system PIN, card PIN or other methods that may be available to validate that you are the rightful account holder to conduct such deposit, withdrawal and purchasing transactions. You agree that by utilizing available authentication methods you are solely responsible for such withdrawal, deposit, and purchase activity. You agree that we may obtain and use your loyalty or wagering account information separately provided to or by a gaming location to facilitate deposit, withdrawal, and purchase transactions on your Account.

13. Your Personal Identification Number/Signature on the Account. To protect the use of your card for certain transactions, including automated teller machine (ATM) transactions, a personal identification number ("PIN") will be required to conduct a transaction with your card. A PIN will be created for your card during the activation process. You may change this PIN at any time by calling Customer Service and selecting "Change PIN" from the menu option or by selecting the "Change PIN" option online at the Website. You should not disclose your PIN to anyone. If the security or confidentiality of your PIN is compromised, you should notify Sightline at once. A PIN may not be necessary to purchase goods or services at merchant locations that accept Discover®; however, you should remember your PIN in case it is requested.

There is a panel on the back of the card for your physical signature. You should sign this panel as soon as you receive your card because it helps to further protect your card from unauthorized use. However, your responsibility for card transactions, as described in these Terms and Conditions, does not depend on whether you sign your card.

14. If You Lose the Card or Need a Replacement Card. You agree to use your best efforts to safeguard the card at all times. You may not lend, allow another to use or authorize anyone else to use your card. If you believe the card has been lost or stolen or you need a replacement card, you should contact Sightline Customer Service immediately. We will supply you with a new card. Except as may be required by law, Sightline is not liable for any loss or damage relating to lost or stolen cards or the unauthorized use of a card.

15. Expiration. Unless otherwise prohibited by applicable law, your Account expires on the expiration date shown on your card. If funds remain on your Account at expiration, and you have not activated a reissued card Account, you may request a replacement card at no charge, or request a balance refund check by calling the phone number listed on your card. If we send you a balance refund check, it will be for the amount of funds remaining on your card at expiration less any applicable fees, costs and expenses. Expiration or closure of your Account will not cancel any completed transaction or any third party services you used the Account to pay for prior to the expiration or closure of your Account.

The meanings of terms, conditions and representations herein are subject to definitions and interpretations in the English language. Any translation provided may not accurately represent the information in the original English.

36. Section Headings. Section headings in this Agreement are for convenience of reference only and shall not govern the interpretation of any provision of this Agreement.

37. Entire Understanding. This Agreement sets forth the entire understanding and agreement between you and us, whether written or oral, with respect to its subject matter and supersedes any prior or contemporaneous understandings or agreements with respect to their subject matter.

38. Arbitration Clause. You or we may elect to resolve any claim by an individual arbitrator. Claims are decided by a neutral arbitrator. If arbitration is chosen by any party, you and we hereby waive the right to litigate the claim in court or have a jury trial on that claim. Further, you and we will not have the right to participate in a representative capacity or as a member of any class pertaining to any claim subject to arbitration.

Any claim, dispute, or controversy ("Claim") between you and us arising out of or relating in any way to this Agreement, your Card, your purchase of the Card, your usage of the Card, or transactions on the Card, no matter how described, pleaded or styled, shall be finally and exclusively resolved by binding individual arbitration conducted by the American Arbitration Association ("AAA") under its Consumer Arbitration Rules in your state of residence at a location that is reasonably convenient for both parties.

We will pay all fees associated with administration of arbitration, including fees to commence the arbitration. At your written request, we will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a

court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights you or we would have in court may also not be available in arbitration.

NO CLASS ACTION, OR OTHER REPRESENTATIVE ACTION, OR PRIVATE ATTORNEY GENERAL ACTION, OR JOINDER OR CONSOLIDATION OF ANY CLAIM WITH A CLAIM OF ANOTHER PERSON SHALL BE ALLOWABLE IN ARBITRATION.

This Arbitration Clause shall survive: (i) the termination of this Agreement; (ii) the bankruptcy of any party; and (iii) any transfer, sale or assignment of your Card, or any amounts owed on your Card, to any other person or entity. If any portion of this Arbitration Clause is deemed invalid or unenforceable, the remaining portions shall nevertheless remain in force. Any different agreement regarding arbitration must be agreed to in writing.

This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16.

Solely for purposes of this Arbitration Clause, "*We*" or "*Us*" shall mean the Issuer, and its respective successors, affiliates or assignees as well as any third party using or providing any product, service or benefit in connection with the Card.

You may reject this Arbitration provision by sending a written rejection notice to us at: Attn: Compliance Dept., P.O. Box 98153, Las Vegas, NV 89193. Your rejection notice must be mailed within 45 days after your first card purchase. Your rejection notice must state that you reject the Arbitration provision and include your name, address, Account number and personal signature. No one else may sign the rejection notice. If your rejection notice complies with these requirements, this Arbitration provision and any other arbitration provisions in the cardmember agreements for any other currently open program accounts you have will not apply to you, except for any claims subject to pending litigation or arbitration at the time you send your rejection notice. Rejection of this Arbitration provision will not affect your other rights or responsibilities under this section or the Agreement.

IF YOU DO NOT AGREE TO THE TERMS OF THIS ARBITRATION CLAUSE, DO NOT ACTIVATE OR USE THE CARD OR ACCOUNT AND CONTACT SIGHTLINE CUSTOMER SERVICE TO CANCEL YOUR CARD AND ACCOUNT.

This Cardholder Agreement is effective as of the Revision Date set forth above.
