

**CALLISTO NETWORK**

# **STEP-BY-STEP MIGRATION FROM CLO AND CLOE TO CE**

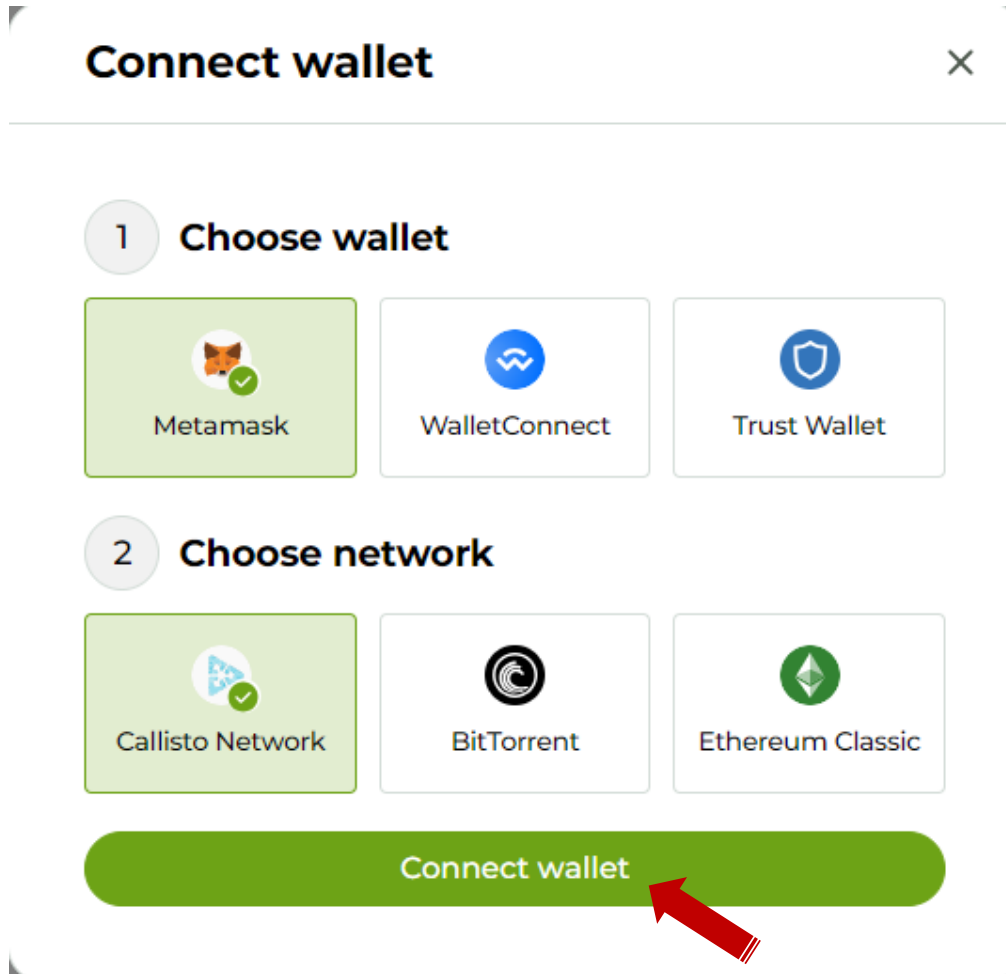

Go to <https://app.soy.finance/en/migrate>

Click on the "**Connect wallet**" button in the top right-hand corner or in the middle of the page.

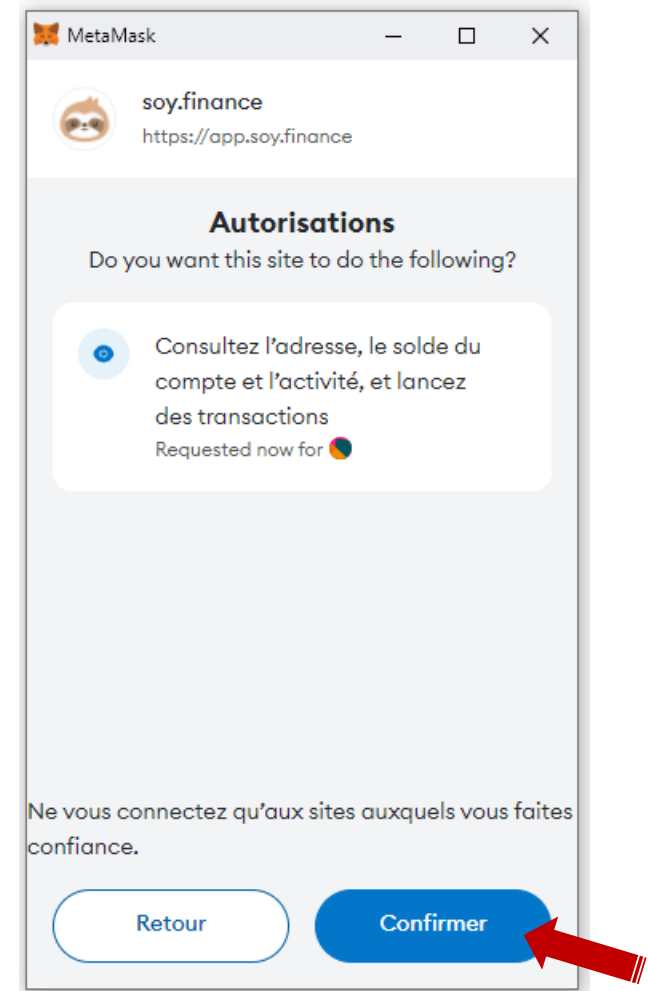

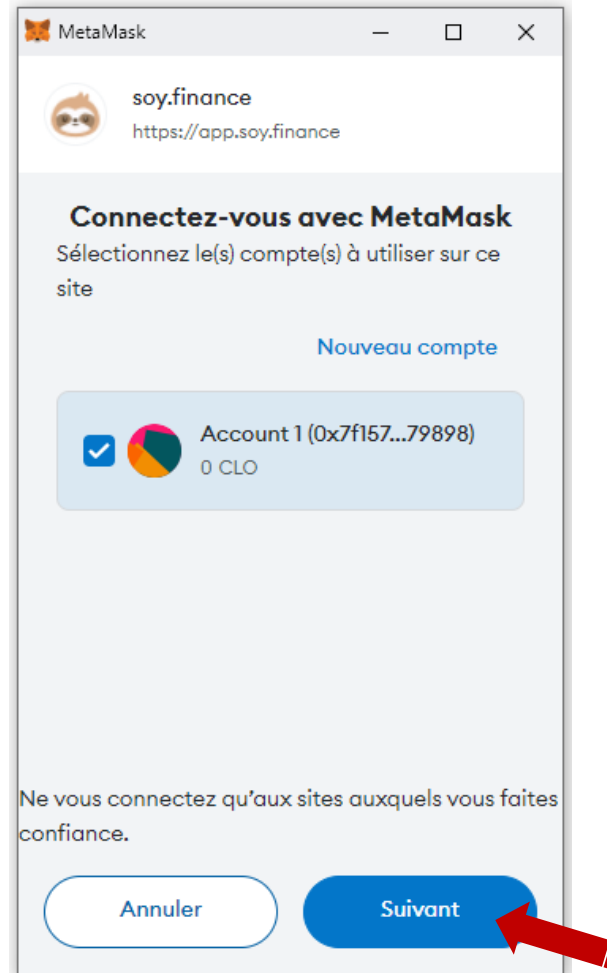

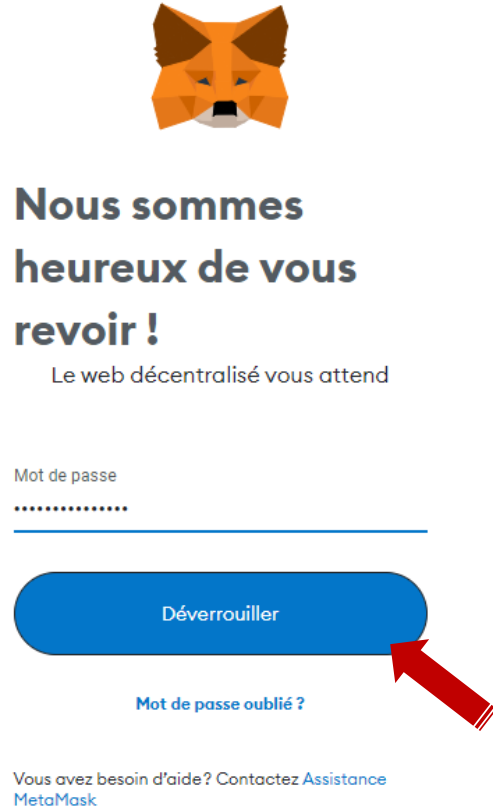

The window that opens asks you to choose your portfolio and select your network.

- ✓ In the first case, select "**Metamask**" or "**Trust Wallet**" or "**WalletConnect**" depending on the wallet you are using.
- ✓ In the second case, choose the "**Callisto Network**".
- ✓ Then click on the "**Connect wallet**" button.

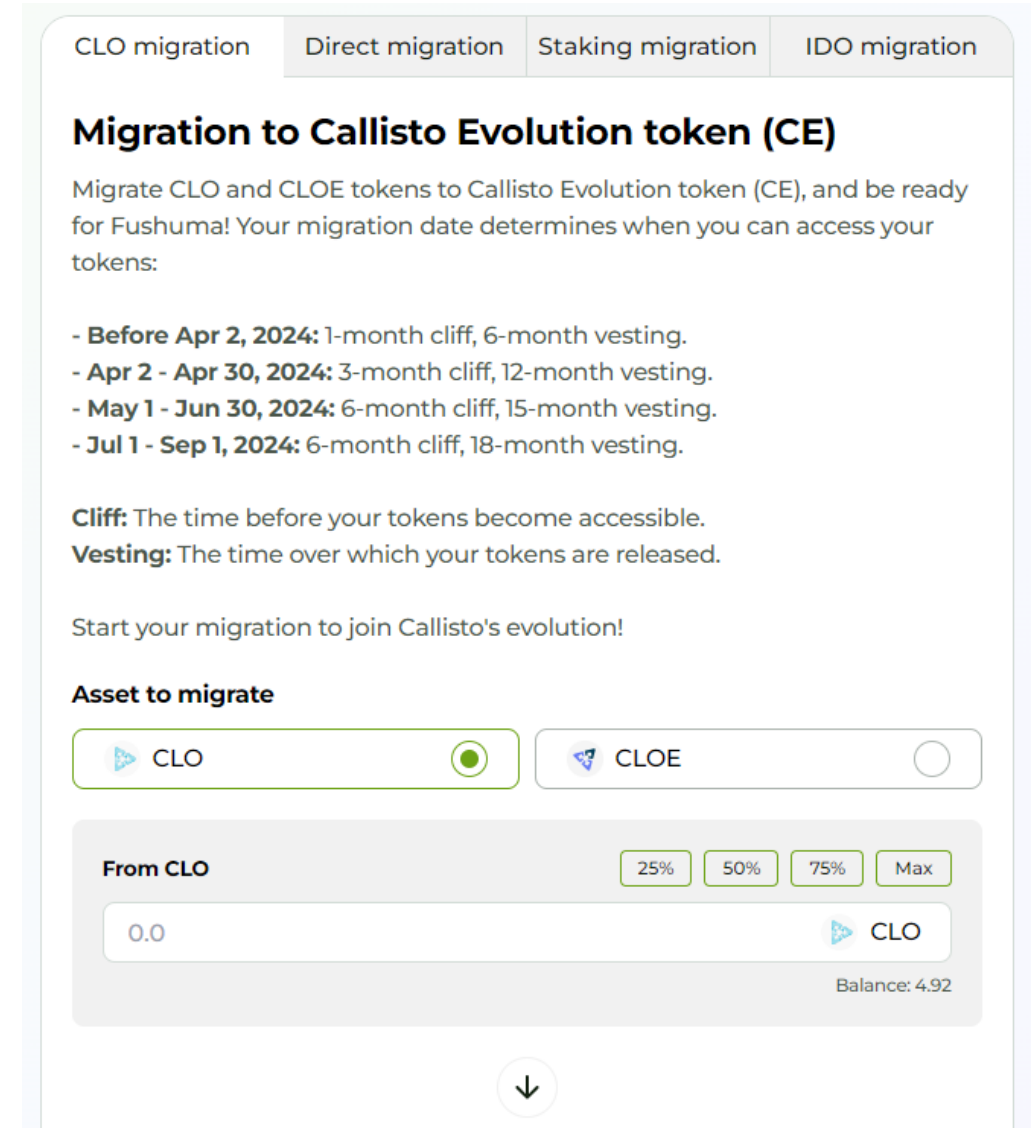

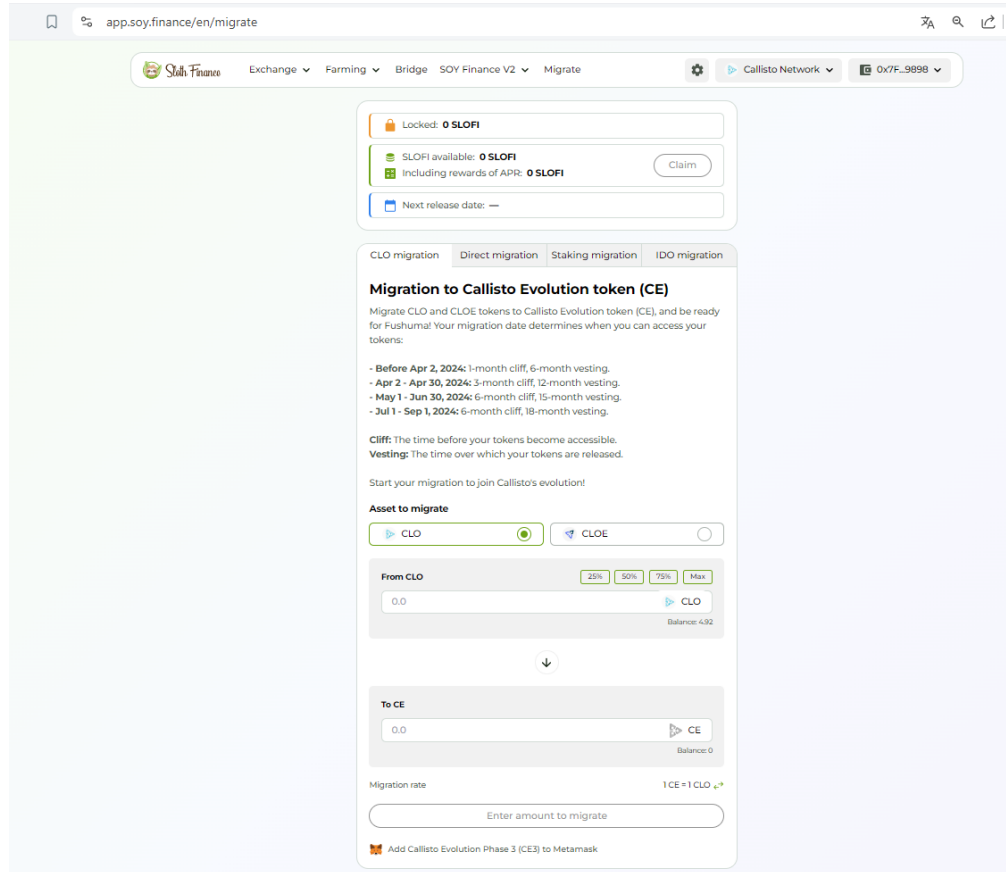

Your portfolio (in this case Metamask) launches and asks for your login details.

- ✓ Enter your login details and click on "**Unlock**".
- ✓ Validate the following steps to grant the authorizations required by Metamask.

Once the connection has been established, the page appears as follows.

The image shows a migration interface for Callisto Network. The background interface includes a migration progress bar, a 'Migrate CLOE' button, and a 'Waiting for confirmation' dialog box with a fox icon and the text 'Migrate 5 CLOE tokens'. The dialog box is overlaid on a form where '5' CLOE tokens are being migrated. The background also shows a 'Migration rate' of 20 CE = 1 CLOE and a 'Migrate CLOE' button.

The foreground shows a Metamask transaction confirmation window. The window title is 'MetaMask' and the network is 'Callisto Network'. The account is 'Account 1' with address '0xAe501...9...'. The transaction is from 'https://app.soy.finance' and is an 'INTERACTION AVEC UN CONTRAT'. The transaction details are as follows:
