Support the Plone Foundation

Plone is made possible only through the efforts of thousands of dedicated individuals and hundreds of companies. The Plone Foundation:

- ...protects and promotes Plone.
- ...is a registered 501(c)(3) charitable organization.
- ...donations are tax-deductible.
- [Support the Foundation and help make Plone better!](#)

- @kitconcept/volto-separator-block 4.1.1
- @kitconcept/volto-slider-block 6.3.1
- @kitconcept/volto-light-theme 3.3.1
- volto-demo 0.1.0

You are running in 'debug mode'. This mode is intended for sites that are under development. This allows many configuration changes to be immediately visible, but will make your site run more slowly. To turn off debug mode, stop the server, set 'debug-mode=off' in your buildout.cfg, re-run bin/buildout and then restart the server process.
