What is Eureka?

Do you remember the old library catalogue? Eureka is that and much more. Eureka **is the Council Library's discovery service**. This means that in Eureka you can:

- Search and browse the library's collections, not only books and journals but also databases, book chapters, articles, references... physical and online.
- Reserve books and renew your loans
- Save searches, set alerts, save your favourites...

You will find the link to access Eureka in the Council Library webpage and Library Blog and in Domus. with your mobile, you can scan this QR

The Library guides contain a selection of relevant resources from the online Eureka catalogue of the Council Libraries. They also contain titles beyond our collections, including open-access publications and websites. The Library guides do not necessarily represent the positions, policies or opinions of the Council of the European Union or the European Council.
