

THE OPTIONS CLEARING CORPORATION AUDIT COMMITTEE CHARTER

I. Purpose

The Board of Directors (the “Board”) of The Options Clearing Corporation (“OCC”) has established an Audit Committee (the “Committee”) to assist the Board in overseeing OCC’s financial reporting process, OCC’s system of internal control, OCC’s auditing process, OCC’s process for monitoring compliance with applicable laws and regulation, and OCC’s compliance and legal risks. The purpose of the Committee is also to advise management regarding these aspects of OCC’s operation.

In fulfilling its responsibilities, the Committee shall prioritize the safety and efficiency of OCC, generally support the stability of the broader financial system and consider legitimate interests of Clearing Members, customers of Clearing Members and other relevant stakeholders taking into account prudent risk management standards (including systemic risk mitigation) and industry best practices.

II. Membership and Organization

- A. **Composition.** The Committee shall be comprised of three or more directors as appointed each calendar year by the Board. Committee members will be selected by the Board from among the directors recommended by the then-constituted Governance and Nominating Committee after consultation with the Chairman and shall serve at the pleasure of the Board. The Board may remove or replace any member of the Committee at any time. All members of the Committee shall be independent from management as determined by the Board. Management Directors do not qualify as independent and may not serve on the Committee.¹ All members of the Committee shall have a working familiarity with basic finance and accounting practices (i.e., financial literacy). At least one member of the Committee shall have accounting or related financial management expertise. The Chair shall be a Public Director. Unless a Chair is elected by the Board, the members of the Committee shall designate a Chair by majority vote. In the absence of the Chair at any meeting of the Committee, those members of the Committee present shall designate a Committee member to serve as Acting Chair.

¹ In the event OCC has a Non-Executive Chairman, such individual shall not be considered a Management Director.

In the event of a vacancy on the Committee, the Committee will continue to undertake its responsibilities, so long as the remaining Committee members are capable of satisfying the quorum requirement.

- B. **Meetings**. The Committee shall meet at least four times a year. Other meetings may be called by the Chair as circumstances dictate. The Committee Chair or its designee, in consultation with management, as well as the Corporate Secretary, shall establish the agenda for Committee meetings. The members of the Committee may ask members of management or others to attend the meeting and provide pertinent information as is necessary. The Committee may call executive sessions from which members of management and invited guests may be excluded. Individual Committee members also may be excluded from executive sessions or portions thereof at which the discussion involves a matter as to which that member has an actual or potential conflict of interest. The Committee will meet in executive session at each regular Committee meeting and will determine who will participate in such session. The Committee Chair or Acting Chair, as applicable, will serve as chair for the executive session. Members of the Committee may participate in meetings by means of a conference telephone call or other means of communication that allows all participants in the meeting to hear each other. However, as provided in the Code of Conduct for OCC Directors, attendance by telephone or videoconference for meetings that are scheduled for in-person attendance is discouraged.

The Committee will meet at least once each calendar year with management, the Chief Audit Executive, the Chief Compliance Officer, the Chief Financial Officer, and the external auditors in separate executive sessions to discuss any matters that either side believes should be discussed privately. Between meetings of the Committee, the Chief Audit Executive, the Chief Compliance Officer and the Chief Financial Officer are authorized to communicate directly with the Chair with respect to any of the responsibilities of the Audit Committee.

- C. **Quorum**. A majority of the Committee members shall constitute a quorum for the transaction of business.
- D. **Minutes and Reports**. The Committee shall maintain minutes of all Committee meetings. The Chair or Acting Chair, as applicable, shall determine whether separate minutes of executive sessions are to be recorded as well as determine the level of detail to be included in such minutes, taking into consideration the sensitivity of the matters to be discussed and the possibility that candor might be limited if detailed minutes are recorded. It is expected that meeting minutes will reflect that an executive session was convened and broadly describe the topic(s) discussed. Minutes of Committee meetings shall be circulated to the Board.

The Committee shall make such reports to the Board as deemed necessary or advisable. The Committee Chair is responsible for ensuring that important issues discussed at the Committee meetings are reported timely to the full Board. Each calendar year, the Committee shall provide a report to the Board summarizing its activities during the previous year.

III. Authority

- A. **Scope.** Subject to the direction of the Board, the Committee is authorized to act on behalf of the Board with respect to any matter necessary or appropriate to the accomplishment of the purpose and responsibilities set forth in this Charter. In discharging its role, the Committee may inquire into any matter it considers appropriate to carry out its purpose and responsibilities, with access to all books, records, facilities and personnel of OCC. The Committee shall confer with management and other employees of OCC to the extent it may deem necessary or appropriate to fulfill its duties. Where the Committee is authorized to approve reports or proposals provided to it by management, the Committee may or may not approve such matters in its business judgment. If the Committee does not approve such a report or proposal, it shall report to management that it has not approved such matter and may provide direction as to revisions or alternative courses of action as appropriate. The Committee shall report to the Board in the event that it does not approve a report or proposal provided to it by management, including the reasons for non-approval.

The Committee shall have the authority to hire specialists or rely upon other outside advisors or specialists to assist it in carrying out its activities. The Committee also shall have the authority to approve the fees and retention terms applicable to such advisors and specialists. The Committee's annual report to the Board will reference any engagement of specialists or outside advisors, including any fees and expenses associated therewith.

Delegation. The Committee may form and delegate authority to subcommittees, and may delegate authority to one or more designated members of the Committee, including the approval of non-audit services performed by the external auditors as set forth below. The Committee may also delegate authority to one or more designated officers. The Committee may refer a risk under its oversight to another committee or the Board as advisable or appropriate. However, in all instances, the Committee retains the obligation to oversee such delegated or referred activity and to assure itself that delegation and reliance on the work of such delegates is reasonable.

IV. Functions and Responsibilities
