Hi osage,

Our review of the account(s) and/or content named in your report has concluded. We have determined that one or more violations of GitHub's Terms of Service have occurred and have taken appropriate action in response.

Please note that our response to abuse on GitHub varies depending on the exact circumstances of each case, as noted in our Community Guidelines:

[What happens if someone violates GitHub's Policies](#)

Additional information on dealing with offensive users or content can be found here:

[What if something or someone offends you?](#)

Thank you for helping create a safe and welcoming environment for software developers.

Regards,

GitHub Trust & Safety
