

Student Agreement (Software Programmer)

Summary

The Student Agreement is an agreement between the Capstone Stakeholders and the Students of the Capstone project. The agreement contains an assignment of copyright and waiver of moral rights relating to copyright; it also contains a Confidentiality Agreement specific to information gained during the course of the Capstone Project.

THIS AGREEMENT IS MADE on the 23th of September, 2024

The parties to this agreement are:

David Breton and Emile Riberdy, who are referred to elsewhere in this agreement as "The Capstone Stakeholders";

–and–

Lauren Rigante
Leo Brodeur
Layana Muhi Al Tounsi
Charles Eimer
Antoine Cantin
Tuan Anh Pham
Matthew Flaherty
Renaud Senécal
Ryan Li
Abdullah Amir

who are referred to elsewhere in this agreement as "the Students".

Purpose of the Agreement

The Parties of this agreement wish to record the obligations of the Students with respect to inventions and copyright. The Capstone Stakeholders wishes to own the rights to the inventions embodied in the Students Produced Software and the copyright in the literary works, namely the Student Produced Work, created and to be created by the Student.

1. Definitions

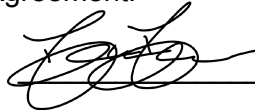

"Student Produced Work" in this Agreement means all work done by the students for the Capstone Stakeholders during the course of the Capstone Project and includes, but is not limited to, all software (computer program(s)), programmer's notes, specifications, technical notes or bulletins, documentation or related materials created solely by the Student or jointly with others from the date of entering the Capstone Project that is dedicated to the project itself.

2. Obligations of the Students

- A. **Copyright.** The Students acknowledges that he/she is under a contract of service to the Capstone Stakeholders and that he/she makes [has made] or shall make Student Produced Work in the course of his/her class with the Capstone Stakeholders and that the Capstone Stakeholders are the first owners of copyright in such programs and documentation in Canada. To confirm such ownership in the Students of the copyright in Canada and elsewhere in the world, the Students does hereby sell, assign and transfer to the Capstone Stakeholders, the entire right, title and interest for Canada and all other countries in and to the copyright in and to such programs and documentation as well as the right to receive any copyright registrations for such program and documentation.
- B. The Student(s) agrees to do all things and execute without further consideration, such further assurances, confirmatory assignments, applications and other instruments as may reasonably be required to obtain copyright registrations for the Student Produced Work and vest the copyright registrations in the Capstone Stakeholders, its successors and assigns.
- C. **Confidentiality** The Student(s) agree to keep confidential and not to disclose to any third party any proprietary information, trade secrets, or confidential information provided by the Capstone Stakeholders in connection with the Project, except as required by Concordia University for academic purposes.
- D. **Patents and Inventions.** The Students sells, assigns, transfers and sets over to the Capstone Stakeholders his/her entire right, title and interest for Canada and for all other countries in and to any inventions relating to Student Produced Work or other subject matter which may arise from the Student involvement in the project, together with the Students entire right, title and interest in and to any Patent applications which may be filed with respect to such inventions, any and all divisional applications thereof, and any and all Patents which may issue or be re-issued for said invention to the full end of the term for which each said Patents may be granted;
