

We Have Launched our IDB-PAHO Regional Newsletter!

A Pan-American Highway for Digital Health

PAHO IDB

The Latin America and the Caribbean newsletter for digital health

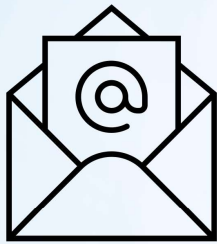

Japan is the first donor of the Pan-American Highway for Digital Health

The IDB, the Pan American Health Organization (PAHO), and the countries of the region are forging ahead with the Pan-American Highway for Digital Health (PH4H) that promotes interoperability and the exchange of information. With the PH4H full established, patients will be able to access and share data about their health anytime, anywhere.
