

Stakeholder Requirements

As a Queens College student, I want to easily discover and manage events that match my interests so I can stay engaged with academic, social, and extracurricular opportunities.

→ *Connects to:* event discovery, filtering, RSVP, calendar sync, notifications.

As a Queens College student organization, I want to create, promote, and manage events effectively so we can grow our reach and engage more students.

→ *Connects to:* event creation, audience targeting, messaging, analytics.

As Queens College administration, I want to oversee and moderate all campus event activity so we can ensure safety, compliance, and resource allocation.

→ *Connects to:* admin tools, moderation, analytics, account control, privacy settings.
