

## Queens College Students

---

**User Story:** As a student, I want to browse and filter events so I can easily find ones relevant to my interests.

**Acceptance Criteria:** System allows filtering by date, category, department, and tags like major or location.

**Priority:** High

**Users:** Students

**Difficulty:** Medium

**Interview Link:** Camila Gonzalez, Platon Levitski, Tahsin Aziz Swapno

---

**User Story:** As a student, I want to RSVP to events so I can save my spot.

**Acceptance Criteria:** RSVP button exists with CAPTCHA; system rate-limits spammy actions.

**Priority:** High

**Users:** Students

**Difficulty:** Medium

**Interview Link:** Camila Gonzalez, Eliany

---

**User Story:** As a student, I want to register using my QC email so that access is limited to the campus community.

**Acceptance Criteria:** Registration accepts only [@qc.cuny.edu](mailto:qc.cuny.edu) and confirms email verification.

**Priority:** High

**Users:** Students

**Difficulty:** Medium

**Interview Link:** General assumption for QC campus security (no direct quote)

---

**User Story:** As a student, I want to add events to my calendar so I don't forget them.

**Acceptance Criteria:** RSVP'd events can be exported to personal calendars (Google/Apple).

**Priority:** Medium

**Users:** Students

**Difficulty:** Low

**Interview Link:** David Park, Ankit Kumar

---

**User Story:** As a student, I want to get reminders for events I RSVP to.  
**Acceptance Criteria:** System sends notifications or emails before the event time.  
**Priority:** Medium  
**Users:** Students  
**Difficulty:** Medium  
**Interview Link:** David Park, Ankit Kumar

---

**User Story:** As a student, I want to see how many students are attending each event so I know if it's popular.  
**Acceptance Criteria:** Display RSVP count (but no names).  
**Priority:** Medium  
**Users:** Students  
**Difficulty:** Low  
**Interview Link:** General engagement interest (no direct interview)

---

---

## Student Organizations

---

**User Story:** As a student org leader, I want to create events so our club can promote them to students.  
**Acceptance Criteria:** Authenticated org accounts can submit events with required fields.  
**Priority:** High  
**Users:** Student Organizations  
**Difficulty:** Medium  
**Interview Link:** Platon Levitski, Tahsin Aziz Swapno

---

**User Story:** As a club officer, I want our event content to be moderated so it's appropriate.  
**Acceptance Criteria:** Event fields are run through OpenAI moderation API.  
**Priority:** High  
**Users:** Student Organizations  
**Difficulty:** Medium  
**Interview Link:** Campus-wide safety consideration (general)

---

**User Story:** As an event organizer, I want to tag our events by department or major so they reach the right students.  
**Acceptance Criteria:** Event creation form includes optional fields for audience targeting.

**Priority:** Medium  
**Users:** Student Organizations  
**Difficulty:** Low  
**Interview Link:** Platon Levitski

---

**User Story:** As a club officer, I want to see how many people RSVPed to our event.  
**Acceptance Criteria:** RSVP counts are visible in the event dashboard.  
**Priority:** Medium  
**Users:** Student Organizations  
**Difficulty:** Low  
**Interview Link:** General event planning logic (no direct match)

---

**User Story:** As a club officer, I want to view analytics about our events to track engagement.  
**Acceptance Criteria:** Dashboard shows views, RSVPs, and reach over time.  
**Priority:** Medium  
**Users:** Student Organizations  
**Difficulty:** Medium  
**Interview Link:** Platon Levitski (interest in promoting events)

---

---

## Campus Administration

---

**User Story:** As an admin, I want to approve organization accounts so only verified clubs post events.  
**Acceptance Criteria:** Admin dashboard includes request queue and approve/reject buttons.  
**Priority:** High  
**Users:** Campus Administration  
**Difficulty:** Medium  
**Interview Link:** General security/process requirement (no direct quote)

---

**User Story:** As an admin, I want to view and manage all events to maintain oversight.  
**Acceptance Criteria:** Admin dashboard lists all upcoming/past events with filtering and edit/delete options.  
**Priority:** High  
**Users:** Campus Administration

**Difficulty:** Medium

**Interview Link:** Shawn Pierce

---

**User Story:** As an admin, I want events to be automatically flagged if they contain inappropriate content.

**Acceptance Criteria:** OpenAI moderation flags events and queues them for review.

**Priority:** High

**Users:** Campus Administration

**Difficulty:** Medium

**Interview Link:** General moderation policy (noted concern by Shawn)

---

**User Story:** As an admin, I want to feature certain events so they stand out.

**Acceptance Criteria:** Admin can mark events as “Featured” and they show in a separate section.

**Priority:** Medium

**Users:** Campus Administration

**Difficulty:** Low

**Interview Link:** Shawn Pierce (promotion method: highlighting big events)

---

**User Story:** As an admin, I want to see aggregate analytics about student participation.

**Acceptance Criteria:** Dashboard shows anonymous participation stats across events, dates, and orgs.

**Priority:** Medium

**Users:** Campus Administration

**Difficulty:** Medium

**Interview Link:** Shawn Pierce
